ADVANCE YOUR CAREER

With Certification On Base at Fort Meade Education Center

Take these exams:

Cisco Systems

CompTIA

EC-Council

VMWare

...and many more!

Prepare yourself for a rewarding career in the military and beyond. Certification gets you the recognition your skills deserve and proves you have a comprehensive understanding of your profession.

Why should I become certified?

- Unlock career opportunities in fields such as business, dentistry, IT, medical, pharmacy, and many more
- Credentials may qualify you to obtain a promotion in your military career
- Certifications help you build your service record and better prepare you for a successful career
- Certification is a key link between service training and experience, and translates military qualifications into civilian terms

Pearson VUE and Fort Meade Education Center are committed to providing you with a professional testing experience.

Call or visit to find out how you can schedule your next certification exam:

How do I register for an exam?

Registering for an exam is easy. You can register one of two ways: online, or directly with Fort Meade Education Center.

1. To register on base at Fort Meade Education Center contact your test center administrator at (301) 677-6424 or stop by to speak with someone about registering.
2. Register online:
   a. Step 1: At PearsonVUE.com/gov/register, locate Fort Meade Education Center from the list of US military installations and create a web account. Once you have created your account, you will receive an email that allows you to schedule a test.
   b. Step 2: Login at PearsonVUE.com/gov/register and schedule your exam. During this step you will be asked to enter your voucher or credit card number as payment for your scheduled exam.
3. If you need assistance registering online, contact your local test center administrator or email gov@pearson.com.
