GARRISON COMMANDER
Colonel Thomas S. Rickard

I would like to extend my warmest greeting to the Fort Meade Retiree community. I am honored and grateful to be Fort Meade’s new Garrison Commander. I will not take the responsibility lightly, and I pledge to serve our Team Meade community to the best of my ability.

The retiree community is a vital part of Fort Meade. You and your Families add immensely to our uniqueness and strength. You are the epitome of “Soldier For Life!”

You’d be proud to know our current generation of service men and women are repaying their debt of gratitude to you through their gallant service. Fort Meade is the Nation’s Center for Information, Intelligence and Cyber Operations. The men and woman serving here defend our nation every day, but we clearly stand on the shoulders of great Americans. Thank you for shooting the azimuth our current military follows while preserving the freedom you so passionately defended.

One way Fort Meade honors your service is by providing you with a wide variety of services and morale, welfare and recreation programs. Our professionals work tirelessly to improve the services you and your Family Members have earned. I hope you have been able to visit the new Post Exchange, VA clinic, and the Army Wellness Center next to the Main Post Chapel on Llewellyn Avenue.

On October 21st, Fort Meade will be hosting its annual Retiree Appreciation Day at McGill Training Center. I know the Fort Meade Retirement Services Office has been working hard to make this event a special day for each of you. Please complete the enclosed registration form and mark October 21st on your calendar.

Thank you for your past service in uniform, and your continued commitment to the nation and Fort Meade. I look forward to seeing you on October 21st. Team Meade!
Message from the Fort Meade Retiree Council Chairperson and Co-Chairperson

Retiree Council Chairperson: COL Bert L. Rice, USA (Ret)

Greetings! Seems like just yesterday that we sent out the last newsletter but once again the time has come to let you know about the forthcoming Retiree Appreciation Day (RAD) activities. I hope to see you at the next RAD on Friday, 21 October 2016 at McGill Training Center. This is the same location as last year’s RAD.

I hope this newsletter finds you and yours doing well. As for me, I fully retired on 31 May 2016 and am now adjusting to a very different time schedule! I look forward to the opportunity to remain involved in interesting and challenging activities. We will continue to maintain our Maryland residence but will spend four to five months in our home state of Montana and travel as opportunities arise. I am pleased to be retired – it was the right time!

The RAD held on 23 October 2015 was one of the most successful and very well attended. Many organizations supported the event and they have indicated their interest in supporting our next RAD once again. We appreciate the support provided by so many to include Kimbrough Ambulatory Care Center.

Mr. Mark E. Overberg, Deputy Chief, Army Retirement Services, Soldier for Life Office, was guest speaker. He provided an excellent summary of retiree related topics and fielded many questions from fellow retirees. We appreciate the support we receive throughout the year from him and his staff.

Mr. George Owings, Maryland Secretary of Veterans Affairs, will serve as this year’s guest speaker. Mr. Owings is a former elected Maryland Delegate and served as Secretary of Veterans Affairs during the Governor Ehrlich administration. He is Vietnam Veteran and is highly qualified to address veteran issues. We are honored and pleased to have Mr. Owings address our RAD attendees. Plan now to attend RAD activities on 21 October. The doors will open at 0800 hours.

Please read the comments by Command Sergeant Major Midge Matlock-Williams, USA (Ret), Co-Chairperson of the Retiree Council. She provides a summary of results of the Army’s Chief of Staff Retiree Council meeting that occurred in April 2016. At the conclusion of the meeting, the Chairman and Co-Chairman of the Council brief the Army Chief of Staff regarding findings after their research and development of recommendations on myriad issues submitted by Installation Retiree Councils from around the world. We thank and appreciate CSM Matlock-Williams for her
service on the Army’s Chief of Staff Retiree Council! Keep up the good work CSM!

As I usually do, I want to acknowledge and thank Ms. Anna Taylor and her staff for their support of a large retiree population served by Fort Meade. The Retirement Services Office has been understaffed for an extended period. We are hopeful that the office will be able to hire additional personnel to accomplish all the requirements to support the retired community. Thanks Anna and staff!

RAD activities could not be conducted without the wonderful support of the Garrison Commander and his staff. This is to acknowledge that support and to extend our sincere thanks to all involved in rendering continued outstanding support.

Finally, I/we offer an invitation to anyone who is interested in joining the Fort Meade Retiree Council. If interested, please let any member of the Council or Ms. Anna Taylor and/or her staff know of your interest. You will be provided application materials that are quite easy to complete. We seek additional Officers and Non-Commissioned Officers to join the Council.

Thank each and every one of you for your service. Another way of saying it is, “Thank you for my freedom!” Thanks, too, to the families who have stood with us during our service. In my book, they are the unsung heroes!

I look forward to seeing all of you on Friday, 21 October at RAD activities to be conducted at the McGill Training Center beginning at 0800 hours.

“SOLDIER FOR LIFE AND PROUD OF IT”

Retiree Council Co-Chairperson:
CSM Saundra “Midge” Matlock-Williams
USA (Ret)

Greetings to all,

I hope it’s been a great year for you and life has treated you kindly. Once again, a year has come and gone, Ft. Meade has undergone many changes with more to come. As you have noticed there is construction and road improvements throughout the community. The road construction is daunting at times but hang in there, because it will benefit all in the area when it’s done.

Again this year, I have had the privilege and honor to serve on the Chief of Staff of the Army Retired Soldier Council. It is a humbling experience to represent retired soldiers Army wide and address the concerns of our population and community. This year, there were 34 issues addressed by the council. The issues and concerns covered three major areas; healthcare, communications, and benefits and entitlements. For example the proposal of changes to Tri-Care choices and the fee increases associated with these changes; the inability of retired soldiers to communicate with leadership and others, or the proposal to support concurrent receipt regardless the level of disability compensation.

It is a lot of information to address in this newsletter, so please visit http://soldierforlife.army.mil, click on CSA Retired Soldier Council and scroll down to the council report and read it. If there is an issue or
interest you have, forward it to Ft. Meade's Council to make recommendations and to forward it up. The council makes recommendations to CSA.

I join COL Rice in inviting you to participate in the Retiree Appreciation day on Friday, 21 Oct 16 at McGill Training Center. Last year was a great success with a large number of participants. This year as always, Ms Taylor, RSO and her staff are working in partnership with Kimbrough Ambulatory Care Center staff to continue to support you. Come to the RAD and discover something new across the installation! Thank you Ms Taylor and staff for all your efforts in supporting the retiree community.

Ft. Meade Garrison has changed hands once again. Let us take a moment to thank and recognize the efforts of Col Brian Foley. Thank you for your leadership and your time given to making the community and council stronger.

With Col Foley's departure, we welcome Col. Tom Rickard, an Infantry officer who has taken command of the installation. We look forward to working with him on retiree and Soldier for Life issues.

Once again I ask that you lead the way and set the example. Please offer your time, energy and effort in helping to keep Ft. Meade vital and strong. Consider volunteering at any number of activities around the installation. Utilize the services offered on the installation. Complete the satisfaction surveys. Participate in the retiree council. Share your military story with our youth. Lastly, I hope to see you all at the Retiree Appreciation Day. Have a great summer. Best wishes and thank you for your continued service.

A Soldier For Life,
Midge
