SUBJECT: FY09 Integrated Pest Management Plan for US Army Garrison Fort George G. Meade, MD

1. Reference E-mail, USAEC (IMAE-EQP), Mr. Zia Mehr, 26 Sep 08, subject: Fort Meade FY09 PUF and PUP
2. IAW DOD Instruction 4150.07 and AR 200-1, the FY09 Integrated Pest Management Plan for US Army Garrison, Fort George G. Meade, MD, has been reviewed for technical sufficiency and is validated as of the date of this memorandum with the understanding that stipulated comments and recommendations will be incorporated into your next update. For Army environmental reporting purposes, this validation date must be reported as stated in this memorandum. Recommend the Garrison Commander, or appropriate government authority, approve and implement the plan. Expiration date of this validation is 30 September 2009.
3. Annual revision and update of this plan, or a no change submission will be sent to the US Army Environmental Command (USAEC) for review and validation prior to the expiration date. Plans and annual updates can be transmitted using email (the preferred method) or postal service. Updates must include a Pesticide Use Proposal for the following year.
