

## COMMUNITY INTEREST FORM

---

The Fort Meade Environmental Division is soliciting community interest for the possible creation of a Restoration Advisory Board (RAB) for the closed Phoenix Military Reservation (Fire Control Area) located approximately ½ mile west of Jacksonville, Maryland. The RAB enables the community and government agency representatives to meet and exchange information about the Army's environmental program at the Phoenix Military Reservation. It also provides an opportunity for the community to review progress and participate in dialogue with the decision-makers.

RAB members will be expected to:

- provide advice on environmental restoration issues to the Army and regulatory agencies;
- attend regular meetings, publicly announced and open to the public, at convenient times and locations;
- review, evaluate, and comment on environmental restoration documents;
- identify project requirements; and,
- recommend priorities among projects.

If you are interested in participating on the RAB, please contact Mr. George Knight, Restoration Program Manager, at (301) 677-7999 or george.b.knight7.civ@mail.mil. Alternatively, please complete and mail this form to Fort George G. Meade at 4216 Roberts Ave., Suite 5115, Fort Meade, Maryland 20755-7068, attention: IMME-PWE (George Knight).
