...and many more!

*Prepare yourself for a rewarding career in the military and beyond. Certification gets you the recognition your skills deserve and proves you have a comprehensive understanding of your profession.*

## Why should I become certified?

- Unlock career opportunities in fields such as business, dentistry, IT, medical, pharmacy, and many more
- Credentials may qualify you to obtain a promotion in your military career
- Certifications help you build your service record and better prepare you for a successful career
- Certification is a key link between service training and experience, and translates military qualifications into civilian terms

Pearson VUE and Fort Meade Education Center are committed to providing you with a professional testing experience.
