

APPENDIX A

SERVICES REFLECTED HEREIN MAY NOT BE AVAILABLE. Levels of Service; their frequency, quality, quantity and timeliness are influenced by the installations' funding posture and changes from higher headquarters. Customers will reimburse for all services above Common Levels of Support (CLS) in accordance with DODI 4000.19 for any service that ". . . increases the support supplier's direct costs (i.e., incremental direct cost). Costs associated with common use infrastructure are non-reimbursable, except for support provided solely for the benefit of one or more tenants. . ." Reimbursable costs may include but are not limited to overtime for Garrison employees, actual cost of contract support or any other incremental direct costs to provide services beyond the common level of support for a tenant or other customer.

Service 55 – Real Estate Real Property Administration Directorate of Public Works (DPW) Point of Contact: 301-677-9141

Service 55.1 – Facilities (Space)

Receiver Responsibilities: Make requirements known to US Army Garrison, Fort George G. Meade by completing DD Form 1450 and 1450-1 DoD Space Requirements Data using AR 405-70, Table D. Comply with pertinent directives and regulations.

Please note that all buildings that are the property of the Department of the Army require DPW approval before any changes are made to the facility or the facility is changed to any use other than its intended purpose. Any Unaccompanied Personnel Housing (UPH) space that is officially or unofficially diverted by the activity or occupying unit is added to the list of buildings for which the agency is responsible for repairing and maintaining.

Reimbursable Support: NonArmy customers must pay the Corps of Engineers administrative fee for processing legal instruments every five years.
