What is Army Family Covenant?

ARMY FAMILY COVENANT:
Keeping the Promise

We recognize that the strength of our service members comes from the strength of their families. The Fort Meade Child, Youth and School Services Program is committed to providing families of service members' quality child care.

ELIGIBILITY: Army Service Members and Department of Defense (DoD) Civilians in support of the Global War on Terrorism (GWOT) mission and support an expeditionary Army at War. A copy of the service member's or Department of Defense orders will be needed to verify eligibility.

Registration Information

At the time of registration, parents must complete all required CYS Services forms. Parents agree to adhere to all Army and Fort Meade regulations and policies governing child care. Each family will receive a CYS Services Parent Handbook containing specific information and respite care cards. It is particularly important for parents to have several phone numbers where they or their emergency designee can be contacted in the event of any emergency.

Children with *special needs* will be required to have a review by the Special Needs Accommodation Process (SNAP) before entering a program prior to receiving care. This review ensures that the program meets the child's needs.
