

Who We Are: We are volunteers that never want service members deployed in harm's way to feel forgotten by the people back home. Currently, we send care packages to individuals that are deployed to combat zones in Iraq and Afghanistan.

How Can You Help? We need donations so that we can expand the amount of troops that we send to. Right now, we are not able to send to more than 150, troops a great number but we want to do more!

Donations can come in the form of manpower (i.e., helping us assemble packages) or material donations. We would love to be able to have people or organizations dedicated to help every round, or a sponsor. We are in the process of trying to get our non profit status but we have yet to raise the requisite funding, which we estimate to be approximately \$500.00. We need more volunteers to assist in the purchase, and baking of items for the care packages.

What Do We Send? Traditional care packages generally include personal need items, we send the fun stuff! Our packages include homemade cookies and brownies, toys, peanuts, pudding, Capri Sun drinks, easy mac, thank you notes, seasonal "fun things" and many other goodies! Every package is identical to ensure everyone gets the same goodies.
