ELIGIBILITY:

CYSS Spring Sports Program is open to all CYSS youth whose parents are: active duty military, retired military personnel, or DoD civilian personnel living or working on Fort Meade or the National Security Agency and their contractors.

PHYSICAL REQUIREMENTS:

Parents may register their youth if the physical has expired. Those physicals that are still valid at the time of registration, must be valid for the duration of the season (through 15 November 2010) or a new physical must be obtained. No child will be given equipment or be permitted to participate in any practices until a physical that runs through 15 November is provided.

Register - Get Physical - Turn-in physical to the Youth Sports Office before uniform appointment and practices begin on 19 July.

COACHES NEEDED:

Anyone who is interested in coaching, please contact the CYSS Sports Office at 301-677-1179. All coaches are required to complete a background check and attend coaches' certification training. Dates and times of certification will be provided if you are chosen to coach a team. Head Coaches who have a youth participating will be given a coaches discount of the first child free and a ten percent discount for each additional child. This discount does not apply to assistant coaches.

ARMY FAMILY COVENANT:

We recognize that the strength of our service members comes from the strength of their families. The Fort Meade Child, Youth and School Services is committed to providing families of service members' quality care. See if you qualify for many of the extra benefits including free sports registrations. Inquire when registering with Central Registration or call 301-677-1105.

UNIFORMS:

Uniforms continue to be a major problem for the CYSS Sports Program. Many football and cheerleading uniforms from the 2009 Fall program have not been returned. Please take a close look around your homes and return any uniforms you may have there. Call CYSS Supply at 301-677-1179 for turn-in procedures.
