MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Fort George G. Meade Policy Letter #61, New Parent Support Program
Home Visitation (NPSP HV) Participation

1. The Family Advocacy Program (FAP) promotes strong, resilient Soldiers and Families by establishing educational programs and supportive services targeted at preventing and reducing incidents of child abuse or neglect.
2. The NPSP HV service provides comprehensive and coordinated support to Families before and after a child's birth including, but not limited to: home visits, parent education, child development education, information, and referral.
3. This is a voluntary program; both mothers and fathers are highly encouraged to participate.
4. Please contact the Installation FAP Manager at (301) 677-5590 for more information.
