## FOR IMMEDIATE RELEASE

### Incident at NSA gate

FORT GEORGE G. MEADE, MD., -- Just after 9 a.m. today, one person was killed and another injured when they attempted to drive a vehicle into the National Security Agency portion of the installation without authorization. NSA security personnel prevented them from gaining access to the installation.

“The incident has been contained and is under investigation,” said Colonel Brian Foley, Fort Meade garrison commander. “The residents, service members and civilian employees on the installation are safe. We continue to remain vigilant at all of our access control points.”

For further information please contact the Baltimore office of the FBI at 410-265-8080.
